The Manager and Directors of the "Midwest's Biggest Little Sale" invite you to our first joint Show and Sale.

OSKALOOSA FAIRGROUNDS

SOME COMMENTS FROM THE MANAGER

Our advertising space does not permit me to say all I would like to say about our Sale, the cattle we are offering and Shorthorns in general, so I take the liberty here to make a few comments.

Never in the memory of most of us has the Shorthorn breed been in a better position to advance in popularity. The private treaty trade has been so good that it is difficult to get enough cattle together for a purebred sale. A number of good sales have been cancelled.

We were very fortunate in getting some of the cattle originally fitted for sales such as the Iowa State Polled Sale, and the Missouri State Shorthorn Sale; also a number of cattle from this year's show strings.

I believe when you see them sale day, you will agree that we have one of the best groups of cattle ever assembled at an Association Sale in Iowa. We will have cattle for everyone — the farmer or commercial man; also the purebred breeder looking for a herd bull or some good replacement females, and we haven't forgotten the 4-H and FFA members. There will be club heifers, and club steers to choose from.

Most of the cattle will be in the barns Friday afternoon, Nov. 7th, if you care to look them over at your leisure.

Friday evening, Nov. 7th, at 6:30 p.m., we will meet at the "Sale Inn," located in the Northwest part of Oskaloosa, on old highway 163. We will eat supper together, followed by a business meeting and election of officers.

This will not be a banquet or dress-up affair. Come as you are, and order from the menu. Good food is served at reasonable prices. Field men will be there to make some comments and help us discuss the Shorthorn business.

Anyone interested in our breed of cattle is invited to meet with us.

Banker's Model—I think that you will like this good quartered, good headed, short legged, blocky son of Twin Valley Banker 14th. He is an extremely smooth calf and an outstanding individual. He stood 4th in the strong Summer Yearling Class at the All-Iowa Fair, the only time shown, and he has come along well since then. If you want a bull to produce outstanding club calves, don't miss him. This calf would not be for sale if I needed a bull and didn't have his full brother, which looks just like him.

Oakdale Bugler—A thick even fleshed bull out of a deep bodied thick Rosewood cow. His Grandsire Glennedale Pilot was Champion Bull at Missouri State Fair in 1954. The odds are in favor of his making an excellent herd bull.

Proud Maud 16th was shown as a 4-H heifer. She placed third in a class of ten at the County Fair and fourth in a class of nine at the All-Iowa Fair. She had the misfortune of injuring one horn as a yearling. The horn later grew crooked. Pasture bred to Pleasant Ridge Promoter. Sells in her everyday clothes. Pretested and vaccinated for Bangs.
